The personal allowance granted in the case in question is of a peculiar nature. It was given so that the maximum pay to which the Officer might attain by virtue of being appointed an Assistant Secretary might be 500 Rs. like other Officers who were appointed not being Asst Commrs were appointed Asst Secretaries before the new order fixing the maximum of Asst Secretaries at 450 Rs was passed. The personal allowance in question attaches therefore to the Officer until he leaves in the usual course to an appointment carrying a salary of 500 Rs a month and does not therefore become merged in the increments he is entitled to get as Asst Commissioner Sch B. Rule 5 by the Secretariat Regulations does not this apply & it is therefore to be added from the operation of Rule 54. To remove any doubt this may now be expressly stated.

Rs 30 treat personal allowance as a part of

substantive pay for a special purpose i.e. for the purpose of calculating leave allowances & pensions. It is not therefore altogether identical with pay. It is doubtful therefore whether the meaning of the term may be extended so as to make it include other incidents attached to substantive pay such as the obligation to assume an 'Acting' appointment. Please see Art. 416 (Audit Office Manual). As the matter refers to me personally however I may say that I have no objection to assume an 'Acting' appointment if required, having expressed above merely the technical aspect of the case.

Orders are solicited as to whether the Comptroller may be informed that Mr. D'Souza has been exempted from the operation of Art 54 of the M. S. Regulations. From the papers on the file it would appear that this was intended.

As pointed out by the Assistant Secretary, personal allowance cannot

be treated as part of an officers substantive for the purpose of insurance in the absence of an express order of Government to that effect. It does not follow that because personal allowance is treated as part of an officer's substantive pay for the purpose of calculating his leave allowances and pension it should be treated as such also for the purpose of insurance. Nor is it desirable that an order should be issued for its being treated as such as cases of the kind now brought to notice by the Comptroller will arise and thereby necessitate the application of rules intended for insured who are deprived by officers drawing personal allowances.

It could not be the intention to exempt Mr De Souza from the operation of art 54 of the M.S.R. What was intended was that Mr De Souza should get the personal allowance of Rs 50 during his Secretariat appointment ~~until he~~ till he reaches the maximum of his grade. This is well understood in my office - otherwise the 50 Rs personal allowance would be reduced as soon as he got his next increment.

The whole thing hinges on the continuance of the Secretariat appointment and this was the point that was attempted to be brought out.

As regards the insurance question, Mr Chandrasekhara Aiyar did insure on his extra 50 Rs of this kind and in the case of Mr V. Thyagaraj Aiyar, the Insurance Committee

presided over by Sir Krishna Murti heated the 50 rupee as pay for purposes of insurance.

I do not think the exemption from art 54 of the F. R. can be granted but in the likelihood of Mr Desouza not being transferred in the immediate future from Secretariat, I would suggest as a compromise that Mr Desouza be informally directed to insure on the 50 Rs and that my letter be recorded "With no orders".

Personally I am not in favour of Personal allowances being insured but I think it is wise not to depart from precedents in these cases.

I see the present reference went from my audit-branch though it dealt with main of an insurance question. I am afraid the increase in Mr Desouza's allowances are specially watched by the Comptroller's office. Possibly he has got too many friends there!!

To

B.K. Venkatavarada Iyengar, Esq.,

Secretary to the Government of Mysore,

General and Revenue Departments.

Sir,

1A1

With reference to para 3 of Government Order No. Fl.1588-92/S & A.189-105-02 dated 7th instant directing that the allowance of Rs. 50/- now drawn by Mr. D'Souza, Assistant Secretary should be treated as personal allowance, I have the honour to state that under article 30 rule 1 of the Mysore Service Regulations, personal allowance is treated for the purpose of calculating leave allowances and pensions, as part of an officer's substantive pay, and that he has therefore to insure his life on the Rs. 50/- in pursuance of the Insurance rules but difficulty will arise when the officer is appointed to act in or transferred to some other appointment before he is promoted to the pay of Rs. 350/-. In the former case his personal allowance will be absorbed in the acting allowance (vide article 54) on which premium is not recoverable, and the rules which apply to an Insured degraded for any cause have to be applied to his case. In the latter case, the personal allowance of Rs. 50/- which is virtually a local allowance given to Assistant Secretaries of the grade of Assistant Commissioners in consideration of arduous nature of their work, has to be continued to him even in an appointment which does not carry any local allowance. I request that you will be so good as to favour
